JOB PRINTING.

The JOB DEPARTMENT in the Democrat Office is now ready for all kinds of printing. Bills, Circulars, Cards, Posters, &c., printed at the shortest possible notice, and at prices to suit the time.

NOT DEAD.—The two men belonging to the 6th Kentucky cavalry, who were engaged in the affray with an Indian Monday in a coffee-house on Green street, were still alive yesterday morning.

One of them, Dennis Shae, was shot in the right cheek, the ball touching under the ear. He is an orphan, and is well known in Lexington, Ky., where he enlisted in the service. He was connected in some way for the past two or three years with the Broadway Hotel, and is about 18 years of age.

The other is George Critcher, whose head received four severe gashes, which bled profusely. They were both members of company C, and it is more than probable that they may recover from their fearful wounds. The Indian has not been captured. We did not learn his name.

POLICE PROCEEDINGS—Tuesday, Feb. 3.—John Harris, alias John Crawfish, charged with stealing a kg of lard from John Ellis; held over in \$300 to answer.

Nicholas Powers and John Smith, disorderly conduct and assaulting Wm. Coyle; Nicholas was discharged, and Smith held over in \$300 to be of good behavior for six months, and in \$100 to answer to an indictment.

John Reed, drunk and disorderly conduct; discharged.

Martin Snooks, charged with stealing a horse from Col. Hall; held over in \$600 to answer the charge.

WIFE BEATING.—A man named Jack Sandford, carrying on a little tailorshop, corner of Eleventh and Main, yesterday, while partially drunk, undertook to correct his wife. He beat her with iron knucks, striking her once in the left breast, once in the right side of the face, and once in the back, under the shoulder-blade. She made complaint at the police office, when officer Charles June succeeded in finding him, and gave him a comfortable quarter in jail.

ACCIDENT.—Mr. Lloyd Pumphrey had his legs badly crushed on Saturday by being caught between two cars at the Frankfort depot while he was in the act of coupling them together. Mr. P., we believe, is not very seriously injured.

CONFORTABLE DWELLING HOUSES are at present in demand in this city. There is hardly a nice dwelling or cottage residence in the upper or central portion of the city which can be found for rent on any terms whatever.

FRANKFORT TRAIN.—The train from Frankfort had not arrived at half past twelve o'clock last night. We are consequently without any report of legislature proceedings. The cause of the delay we did not learn.

TRAVEL.—We are indebted to Mr. Hawes, the Adams Express messenger, on the Nashville Railroad, for Nashville papers of yesterday, and other favors.

One hundred and sixty-five paroled soldiers passed through Cincinnati day before yesterday, en route for Camp Chase, Ohio.

Mr. J. W. Biakemore, a respectable citizen of Oldham county, died a few days ago. His remains were interred on Sunday.

We are thankful to Mr. Astor, of the Adams Express Company, for latest Cincinnati papers, in advance of the mails.

The Board of School Trustees, at their meeting Monday night, took the oath of allegiance without one exception.

OUR PAPER.—We have a large lot of old papers on hand, which we will sell at four dollars per thousand.

There is a citizen of Bellwood, Ky., who, though in feeble health, is 105 years of age.

We are indebted to the Hon. A. Hard-
ing, M. C., for public documents.

SCORING.—A GAME AT WHICH TWO CAN-
PLAY.—Day before yesterday, while a Michi-
gan regiment were on a boat at the wharf, en-
gaged in cutting and securing slaves on the
boat, belonging to Kentucky, another boat,
laid alongside of them, had a quantity of sol-
diers aboard belonging to Kentucky regi-
ments. No sooner had the Michigan men sup-
posed the slaves in their possession, and care-
fully put away, than the Kentucky boys sued
into the boat on board their boat, where they kept them secreted until the
Michigan left. By this time the Kentucky
had succeeded in rescuing nine val-
uable slaves, who were, or will be returned to
their masters, as soon as called for. This
speaks well of the Kentucky boys. On an-
other occasion a gentleman had an order for
his slave, who was on the same boat. He
presented the order, but met with no success.
A squad of the 333 Indians escorting the
owner on board, who secured the negro, and
then escorted both master and slave
up the hill, seemingly satisfied.

The gentleman turned to thank them, when
one of the brave soldiers remarked: "All right, sir; we remember that your fa-
thers, on a certain occasion, came to the assis-
tance of ours, and we wish to repay the debt.
We owe Kentucky by fighting for the Union,
and protecting the property of her noble citi-
zens. All right, sir." The master and slave
came up into the city, and the nobles boys of
the gallant Thirty-third returned to the boat,
feeling that they had only done their duty.
The New Albany Ledger says that the
fifteen negroes, who had been stolen from
their masters in the neighborhood of Lexington,
Ky., and brought to this city, by a Michi-
gan regiment, were ordered out of the lines by
Gen. Granger, and crossed the river here to
Indiana, to take the underground railroad for
the North. Six of them were arrested near
Silver Creek, night before last, and the hiding
place of the remaining nine is known and they
will be arrested to-day and returned to
their masters. The New Albany Ledger says that
the boat officers and crew are to be paid
\$100 each for their services.

DR. ROBACK'S
BLOOD PURIFIER
and
BLOOD PILLS

have been introduced to the public for
more than six years, and have received an
immense popularity.

An appreciating public was not long in
discovering they possessed remarkable
Curative Properties,

and hence their

of dollars each year in advertising their
merits, and publishing the

the popularity of the
Blood Purifier and Pills
as they strike at the root of Disease,
by eradicating every particle of impurity

In the Blood,
for the life and health of the body depends
upon the purity of the blood.

If the blood is poisoned, the body drags
out a miserable existence. These medicines

are unequalled
for curing

Scrofula, Liver Complaint,
Skin Diseases, Female Complaints,
Salt Rheum, Rheumatism,
Gastritis, Old Sores, Leucorrhœa,
Lysipelis, Tumors, Fibs, Scrofulous Consumption, etc.

ONE PERSON writes, her daughter was
cured of fits of nine years' standing, and
St. Vitus' dance of two years.

ANOTHER writes, his son was cured
after his flesh had almost wasted away.

The doctors pronounced the case incurable.

ANOTHER was cured of Fever and Ague
after trying every medicine in his reach.

ANOTHER was cured of Fever Sore
which had existed fourteen years.

ANOTHER of Rheumatism of eight

years. Cases innumerable of Dyspepsia and
Liver Complaint could be mentioned in
which the Purifier and Pills

Work like a Charm.
The Blood Pills

are the most active and thorough pills
that have ever been introduced.

They act so directly upon the Liver,
exciting that organ to such an extent as
that the system does not relapse into its
former condition, which is too apt to be
case with simply a purgative pill.

They are really a

Blood and Liver Pill,
which, in conjunction with the
Brood Purifier,

will cure all the aforementioned diseases,
and of themselves, will relieve and cure
Hæmætæse, Costiveness, Colic Pains, Cholera Morbus,
Indigestion, Pain in the Bowels,
Dizziness, etc.

Try these medicines, and you will never
regret it.

Ask your neighbors, who have used
them, and they will tell you they are

Good Medicines,
and you should try them before going for
a physician.

Give a Pamphlet or Almanac of my local
agent, and read the certificates, and if you
have ever doubted you will

Doubt no more.

As a proof that the Blood Purifier and Pills
are perfect, and indeed the best Remedy
known to the world, I will send you a
copy of Dr. Roback's Special Notes and Certificate
published in the medical part of this paper from
time to time.
